## **2010 Software Sampler Club Topics**

Learn the most about your BERNINA V6 Software. Bring show & tell projects or projects you may have questions on – we love to see what you are creating

Software Sampler Club is \$10; however, if you come back to the next month's club meeting with a finished project from the previous month's club that club day fee will be free. Please register for club.

### **March 20, 1:00 – Monogrammed Sachet**

Create a beautifully monogrammed sachet pillow for yourself or for a gift, with blank, pre-made cocktail napkins! Use the monogram features of the BERNINA software, and learn to create your own monogram ornaments using true type fonts. Also practice creating placement lines to insure a perfect stitch-out every time.

### **April 17, 1:00 – Simple Sleeved Shawl**

Learn how to create designs using the new Freehand Tools in Version 6 Software. Practice freehand drawing techniques and complete a floral appliqué to embroider on the Simple Sleeved Shawl!

### **May 22, 1:00 – Sunglasses Case**

Finish your project “in the hoop.” Learn a collage technique of creating embroidery in the software. Quilting, appliqué, and lettering combine to produce wonderful sunglasses case – pops out of the hoop ready to use!

### **June 12, 1:00 – Backgammon Board**

Create a portable felt backgammon board on your embroidery machine. Digitize a simple appliqué project, practice splitting a large design into multiple pieces for stitch out. Project features decorative rotary cut edges and matching carry bag.

### **August 21, 1:00 – Car Organizer**

Outline Fun! Use our powerful new outlining tool in Version 6 to create echo quilting – let the software do your quilting! Explore Auto Digitizing and Magic wand features to create redwork designs, lettering outlines, etc. Use the designs to embellish a very practical Car organizer.

### **September 18, 1:00 – Bottle Wrap**

Create your own decorative bottle wrap. (Great hostess gift!) Use the Pattern Run feature of the software to create a beautiful decorative edge. Cut in place – or use the cutwork tool to create multiple projects! Embellish with OESD Sayings or monogram.

### **October 16, 1:00 – Finger Puppet/Pencil Topper**

Enjoy crafting in the hoop! Create a fun character that can be used as a finger puppet or pencil topper. Fun to add to a card pocket! Easily create the design in the software and let your embroidery machine do the rest. Practice an unconventional way to complete an “in the hoop” design.

### **November 13, 1:00 – Messenger Bag from Recycled Fabric**

This is a wonderful gift idea for a “hard to shop for” young adult. Use your embroidery software to create fun lettering designs with the fantastic new capabilities of Version 6. Move and resize lettering within each word to create modern lettering effects. Learn to work with True Type Fonts, reshaping existing letters, and shadow effects.

### **December 11, 1:00 – Cards/Scrapbook/Gift Tags**

Work with the tools in Art Canvas to create wonderful holiday cards, gift tags and scrapbook page embellishments with your Version 6 Software! Create projects or print, and embroider, as well as learning how the cutwork tool can create “fabric sticker” embellishments.
